

FINANCIAL AGREEMENT

Be willing to negotiate for a realistic settlement of differences. Family members must be ready to compromise. A written agreement may help avoid conflicts.

Problem: It is upsetting when you must fill up the gas tank almost every time you use the car because the last driver left only one-quarter tank of gas.

Example of a written agreement:

AUTOMOBILE FUEL AGREEMENT

We, the members of the _____ family, do hereby agree to fill the gas tank in the vehicles we drive if the gas tank has one-quarter tank or less.
